Profile

Coming from a background in design, I love creating pages where I'm able to actually create enjoyable interactions and experiences for everyone! And with Juno's education and support, I'm now able to truly call myself a Front-End Developer.

Experience

WEB DEVELOPER

Chetu pvt. ltd. 6 month 2023

- Develop custom web design solutions
- Collaborated with corporations and helped them build powerful websites
- Designed an e-commerce web app
